Press Release

Swampscott Park For Off-Leash Time

Dear friends and fellow Swampscott Dog Owners,

We need your help. The newly formed Swampscott Park For Off-Leash Time (SPOT) committee is looking for help to get this community project off the ground and running. If you haven't heard, we recently got approval from the Board of Selectmen to establish a Dog Park on a section of the parking lot at Phillips park. To do so, we are asking all of our friends and dog owners in Swampscott to help out, either financially, or with a gift of your time. If you'd like to see what's on the SPOT event calendar, to learn how you can volunteer your time or expertise or how to give a gift to help our fundraising efforts, or to simply learn more about SPOT, please visit our website at www.bigbluespot.org. We need your ideas and help so we can build a place for our pets to run and play in order to make Swampscott a better place to live for everyone. **Please pass this flyer along to a friend who you feel would be interested in helping out.** Thanks.

Sincerely,

The S.P.O.T Board of Directors
Tim deRosa
Rich Newburg
Lynn Zabar
Marc Eichler

Help SPOT Run!
